Lynn McCarthy

*No one epitomizes Charger Pride more than our retiring Principal Lynn McCarthy. A graduate from Dundee Community High School who did her student teaching at Irving Crown, Lynn has spent her entire 20 year career in education at DCHS, including the past nine years as Principal. She is a former tennis coach who is a familiar face at DC sport events. She's been on the field with the students celebrating a big win and even hangs out with the Super Fans from time to time. Win or lose, she takes pride in the achievements of every single student and has made a difference for our athletes. Thanks for making DCHS a better place and for always reminding us to push that **Charger Pride!***
